

ABOUT

Engineered with hand wool appliqué in mind, Ellana™ is a 28wt 2 ply, 50/50 Merino Wool/Acrylic blend. The wool provides a rich colour palette and soft loft, while the acrylic gives the thread unbelievable strength. Its perfect twist allows the thread to gently coat the edge of wool appliqué, melting into the wool. The result is an almost invisible whipstitch which creates a smooth, clean edge prepared for embellishing. Ellana™ is fray resistant and contains significantly less fuzz, rendering an unparalleled smoothness. Its soft loft is ideal for creating delicate detail when used for hand embroidery. Available in 60 original Sue Spargo colours on manageable 64m (70yd) spools.

APPLICATIONS

Hand applique, wool on wool applique, machine applique, machine quilting, decorative stitches for hand and machine.

THREAD

28wt Merino wool /
acrylic blend

Finish: matte

BOBBIN THREAD

- DecoBob™

RECOMMENDED NEEDLE SIZES

Machine:

- 90/14 topstitch

Hand:

- embroidery #7

- chenille #24

TIPS:

All 60 Sue Spargo designed colors match the Efina™ 60wt cotton and wool fabric lines, making it easy to coordinate materials in projects.
