

### ABOUT

A thick rayon thread with a gorgeous sheen, Accent™ is best used when you want the stitching to show. It comes in 40 solid colors and 20 variegated colors in 400m (437yd) spools.

---

### APPLICATIONS

Use Accent™ in sewing machines, quilting machines, embroidery machines, sergers, and for handwork, decorative stitching, quilting, thread painting, and any other decorative purpose.

---

### SEWING:

Slightly loosen top tension and sew at a moderate speed. Avoid using automatic scissors. Avoid using automatic needle threader.

For machine embroidery, use designs digitized for 12wt threads.

For hand embroidery or appliqué, use a cut length equal to fingertip to elbow. If the thread curls, run a damp sponge along the length of the cut thread. Let dry before using.

### THREAD

---

### USES:

Ideal for decorative sewing. Use anywhere that you want the thread to make a bold statement. For quilting, use to quilt wall quilts, art quilts, and up to lap size quilts.

---

### STITCH LENGTH:

Lengthen straight stitch to 3.0. Choose simple decorative stitches and make the decorative stitch wider and longer to accommodate the heavier thread.

---

### SPOOL POSITION:

For optimum results, use of a Thread Tamer™ and Wonder Guard™ is recommended.
